

Rahsaan Patterson, Tears Ago

Hearts poundin' like crazy
Seein' you after all this time
It brings back memories, but that was tears ago
Remember when our love was so strong that neither one of us could do no wrong
Believed in you with all my heart, that's when the pain began
You left me for another lover

chorus: Loved you girl tears ago, I used to love you tears ago
Loved you girl, but that was tears ago

Never satisfied, always thought the grass was greener on the other side
But now you've finally found the love was right before your eyes
You want me now but it's too late
I Love...

chorus: Loved you girl tears ago, I used to love you tears ago
Loved you girl, but that was tears ago

There's no more trust in this heart of mine
A new love I'll have to find
The one thing that I still know
Is that I loved you girl, but that was tears ago
