

# Rahzel, If Your Mother Only Knew

(breathing)

If your mother only knew (beatboxes)

If your mother only knew (beatboxes)

If your mother only knew

That you was tryin to get with me (beatboxes)

If your mother only knew (beatboxes)

If your mother only knew

She'd probably throw (beatboxes)

You out her home (beatboxes)

You'd probably be up on apartments all alone (beatboxes)

If your mother only knew (beatboxes)

This is the tricky part

The beat, and the chorus, at the same time

(beatboxes)

(while beatboxing)if your mother only knew

If your mother only knew

If your mother only knew

(beatboxes)

(while beatboxing)if your mother only knew

Ya'll don't think I'm doin' that shit?

Ya'll don't think I'm doin' that shit?

You think it's some other shit going on?

I'm gonna slow it down

I'm gonna slow it down a little bit so y'all can hear the pronunciation on everything I'm saying

Check it out

(Slow) If your mother only knew

(beatboxes)

(while beatboxing)if your mother only knew

(beatboxes)
