

Raimundos, A Sua

Time has turned this lie to true
All the things Ive done I did to you
But Im tired to live my life this way
And some day Ill say the things I got to say
Im tired of believing in you, girl
I tried to believe in you
Cause youre so close to my mind (x2)
And I dont know exactly why
But Ive forgotten how to live
The reason that changed my life
And you know better than anyone
That I wanted you till the end
But my feelings doesnt make no difference now
Its hard to understand
That Im tired of believing in you, girl...
