

# Rain, It's Been Years

It's been years  
Since I held you in my arms  
And surrendered to your charms  
Many years  
Long ago  
I was underneath your spell  
Thought I'd never live to tell  
Long ago  
That was then  
Back when I was hypnotized  
By the passion in your eyes  
Way back then  
Still I know  
That without you, I am me  
And I'm no damn fun to be  
Oh, I know  
Did I ever make it through?  
Did you ever understand?  
Questions never to be answered  
Who would ask them? Who could stand?  
Did you ever really love me?  
Was it all just fun and games?  
Nevermind, don't even tell me  
Yes or no, it's all the same  
You were mine  
You were all I'd ever need  
All the mouth I'd have to feed  
You were mine  
Now you're gone  
And I'm half a man again  
One part has and one part been  
Since you're gone  
You were there  
Everytime I felt alone  
I could call you on the phone  
You were there  
How I long  
To relive those days of old  
And to come in from the cold  
How I long  
Did your love for me exist?  
If it did, then does it now?  
If I asked you, would you think  
That you had beaten me somehow?  
Can I see or am I blind?  
Do I dare believe it's true?  
That the thoughts that I am thinking  
Are the same ones thought by you?  
I'm the same  
I'm exactly how I've been  
Since we parted way back then  
Just the same  
I'm still yours  
Please believe me when I say  
You're the artist, I'm the clay  
Only yours  
Understand  
That my words are from the heart  
I'm alone when we're apart  
Understand  
Let's return  
To that lovely time we held  
To each other, to ourselves  
Let's return

Has our time forever passed?  
Did our love just fade away?  
Am I saying all the things you thought  
You'd never hear me say?  
Is it time we told the truth?  
Is it time we made amends?  
Questions never to be answered  
Not in one year, not in ten
