

# Rainbirds, One Sad Boy

he is one sad boy  
but he would`nt shed a tear  
he is one sad boy  
with a conviction  
he is one sad boy  
which is obvious to me  
for he claims to be happy  
with a vengeance  
and from all the girls in his world  
he had to love the one  
that pokes him in the eye  
whenever his liveliness is souldeep  
and his smile comes from within  
and starts caressing her distressing boring self  
with an idea  
he`s one sad boy  
busy proving differently  
as he claims to be happy  
with a vengeance  
he is swimming in her pool of self-conceit  
swimming round in circles  
while the water`s getting turbid  
swimming round in circles  
when she`s gone  
he is one sad boy  
though he never sheds a tear  
he is one sad boy  
with a conviction  
he is one sad boy  
which is obvious to me  
for he claims to be happy  
with a vengeance  
and from all the souls in his world he tries  
to win the heart of those who just  
could`nt give a damn  
unless pretending to  
would come in handy  
when times are rough and roads are sandy  
for jealousy is their  
driving motion  
he is swimming in their pool of self-conceit  
swimming round in circles  
while the water`s getting turbid  
swimming round in circles  
when they`re gone
