

Rainbow, All Night Long

You're walking up with your eyes on me
It's looking good but I just don't know
I need a girl who can keep her head
All Night Long
You didn't come just to see the show
I guess you know what you wanna see
The way you smile lets me know I can't go wrong

(Bridge)

I wanna touch you
I wanna feel you
I wanna make you mine

(Chorus)

I wanna love you (all night long)
I wanna be with you (all night long)
I wanna love you (all night long)
I wanna be with you (all night long)

I saw you standing down by the stage
Your black stockings and your see through dress
Your mouth is open but I don't wanna hear ya
Say good night

You're sorta young
But you're over age
I don't care cause I like your style
Don't know about your brain
But you look alright

(Bridge)

(Chorus)

Your mind is dirty
But your hands are clean
You're short of class
But your legs are long
I know I can't stand another night
(on my own)
Hey girl would you like some wine
What's your name?
Are you by yourself?
Are you the one?
But you say can I take you home

(Bridge)

(Chorus x2)
