

Raining Pleasure, A Ring(Forwards & Backwards)

A ring on your nose
That pulls and drags and leads you
pulls and leads you
Forwards & backwards
I know the ring's name
Know the ring's face
Know the ring
that pulls & drags & leads you
pulls and and leads you
FORWARDS & BACKWARDS

You wouldn't need to convince
If what you said was true
And if you laugh out loud
Laugh as much as you like
I've seen your eyes before that
Seen that look on your face
Seen that ring
That pulls and drags and leads you
Feeds you
FORWARDS & BACKWARDS

Ring, Nose, Ring knows!

You're stupid! You're so stupid
You dance till you're sick to a song
That only says how stupid you are
How stupid you are
With the ring on your nose
That pulls and drags and leads you
Pulls and leads you
FORWARDS & BACKWARDS

You narcissist!!!
Everyone's ok, as long as the fancy you
Boys and girls, girls and boys
With your ring on their nose
The ring that pulls and drags and leads them
Pulls and leads them drags them
FORWARD & BACKWARDS

Ring, nose
Ring knows!!!
