

# Raism, Political Incorrect (Non P.C.)

We are here to ruin your mood  
to speak the things that you don't dare  
to tell the truths that you're afraid  
and paint your clean cut faces red.

Non P.C.  
No more lies  
Non P.C.  
No more shit

Pentagrams and swastikas  
communists and anarchists  
white, black, yellow, red  
zionists, homosexuals.

Mr. Nice Guys everywhere  
peace and love for everyone  
can't you see this can't be done  
(because) violence is in your blood.
