Rakim, Casualties Of War

Casualties of War!

Casualties of war; as I approach the barricade Where's the enemy? Who do I invade? Bullets of Teflon, bulletproof vest rip Tear ya outta ya frame with a bag full of clips Cause I got a family that waits for my return To get back home is my main concern I'ma get back to New York in one piece but I'm bent in the sand that is hot as the city streets Sky lights up like fireworks blind me Bullets, whistlin over my head remind me... President Bush said attack Flashback to Nam, I might not make it back Missile hits the area, screams wake me up from a war of dreams, heat up the M-16 Basic training, trained for torture Take no prisoners, and I just caught ya Addicted to murder, send more bodybags They can't identify em, leave the nametags I get a rush when I see blood, dead bodies on the floor CASUALTIES OF WAR! (4X)

Day divides the night and night divides the day It's all hard work and no play More than combat, it's far beyond that Cause I got a kill or be killed kind of attack Area's mapped out, there'll be no, Stratego Me and my platoon make a boom wherever we go But what are we here for? Who's on the other side of the wall? Somebody give the President a call But I hear warfare scream through the air Back to the battlegrounds, it's war they declare A Desert Storm: let's see who reigns supreme Something like Monopoly: a government scheme Go to the Army, be all you can be Another dead soldier? Hell no, not me So I start letting off ammunition in every direction Allah is my only protection But wait a minute, Saddam Hussein prays the same and this is Asia, from where I came I'm on the wrong side, so change the target Shooting at the general; and where's the sergeant? Blame it on John Hardy Hawkins for bringing me to America Now it's mass hysteria I get a rush when I see blood, dead bodies on the floor CASUALTIES OF WAR! (4X)

The war is over, for now at least Just because they lost it don't mean it's peace It's a long way home, it's a lot to think about Whole generation, left in doubt Innocent families killed in the midst It'll be more dead people after this So I'm glad to be alive and walkin Half of my platoon came home in coffins Except the general, buried in the Storm in bits and pieces no need to look for em I played it slick and got away with it Rigged it up so they would think they did it Now I'm home on reserves and you can bet when THEY call, I'm going AWOL Cause it ain't no way I'm going back to war when I don't know who or what I'm fighting for

So I wait for terrorists to attack
Every time a truck backfires I fire back
I look for shelter when a plane is over me
Remember Pearl Harbor? New York could be over, G
Kamikaze, strapped with bombs
No peace in the East, they want revenge for Saddam
Did I hear gunshots, or thunder?
No time to wonder, somebody's going under
Put on my fatigues and my camoflouge
Take control, cause I'm in charge
When I snapped out of it, it was blood, dead bodies on the floor
