

Rakim, The Skit - (dialogue) *

* track #3

It feel good, ya knahmean?

To uhh, come back and and get embraced

That's that's like the best part y'know?

Bein bein gone for a while y'know

Walk through the streets

'Yo Ra yo when you comin out, you gotta come out'

this and that

Y'know, so y'know I always want to come back

Had little setbacks, but umm

To comeback and get embraced man, that's the best part
