

# Raleytar, Sorgenlos Im Schlaf Der Ewigkeit - Solitude

All I want is to die  
'Cause this situation makes me cry  
Suicide 'cause of this pain  
Suicide 'cause I am insane  
No last wish through immortality  
Death through fear of reality  
Leave walls of tears behind  
Solitude makes me blind  
Lost all trust and faith  
Like the dust in my hand  
The true life is death  
Ruled by the black sky  
In deepest distress I'm ready to die  
Hold on the clouds fly  
Black winds lament for death  
Until I will die, my soul cannot rest  
The time to expire has come  
In a few minutes it will be done...
