

Ralph Tresvant, Who's The Mack

Yeah
{Who's the mack}
{Straight up}
Who's the mack now
Straight mackin'
{Straight up}
Come on

(Who's the mack) Can I try to tell you, baby
(Who's the mack) (Who's the mack)
(Who's the mack)
(Who's the mack) Oh... (Who's the mack)

(Who's the mack) Yeah, straight up and down, you know what I'm about (Who's the mack)
(Who's the mack) Cold mackin'
(Who's the mack) Yeah (Who's the mack)
(Who's the mack) Ooh

(Who's the mack) Who's the mack, baby
(Yeah, baby, tell me, baby) Who, you're damn right (Who's the mack)
(Who's the mack) You know what I'm about
(Who's the mack) Let me blast for you (Ho)

Spring, summer, winter, fall
Who do you call
When you need a man to hold you, squeeze you
Do it all, (Come on, ooh), and baby

(Who's the mack) Anytime you want it, baby
(Who's the mack) Anytime you need it
(Who's the mack) When you got to have it, baby
((Who's the mack) Ho

What I wouldn't do
Baby, but what I'd do
In your land of milk and honey
So sweet, open up and let me in

(Who's the mack) Who's the mack (Who's the mack)
(Who's the mack) Hey...hey...hey...
(Who's the mack) (Who's the mack)
(Who's the mack) Straight up, baby

(Who's the mack) (Who's the mack) Who's all that
(Who's the mack) (Who's the mack) R-I-Z-Z-Y, the mack
(Who's the mack) (Who's the mack)
(Who's the mack) Who's the mack, baby
(Who's the mack now, baby) (Who's the mack) Now let me tell some'in', baby (Oh)

(Who's the mack) Anytime you need it, girl

Baby, but what I'd do
In your land of milk and honey

(Who's the mack) Don't you gotta have it (Oh, yeah)
(Who's the mack) Anything you need
