

# Ramallah, A Day In The Life

Sugar plum fairy  
Sugar plum fairy

I read the news today, oh boy  
About a lucky man who made the grade  
And though the news was rather sad  
Well, I just had to laugh  
I saw the photograph

He blew his mind out in a car  
He hadn't noticed that the lights had changed to a shade of gray  
A crowd of people stood and stared  
They'd seen his face before  
Nobody was really sure if he was from the House Of Lords

I saw a film today, oh boy  
The US Army had just dropped some peace on the Middle East  
A crowd of people turned away  
But I just had to look  
Having read the book

I'd love to turn you on  
Woke up, got out of bed  
Wiped the blood off of my head  
Found my way upstairs and I did a shot  
And looking up I noticed I was late  
Found my coat, grabbed my hat  
I made the bus in seconds flat  
I found my way upstairs and I did a snort  
And somebody spoke and i went into a dream

I read the news today, oh boy  
Three thousand holes at New York's ground zero  
And though the holes were rather small  
We had to count them all  
Now we know how many holes it takes to make the towers fall  
I'd love to turn you on
