Rammstein, Stripped

Come with me Into the trees We'll lay on the grass And let the hours pass

Take my hand Come back to the land Let's get away Just for one day

Let me see you Stripped

Metropolis Has nothing on this You're breathing in fumes I taste when we kiss

Take my hand Come back to the land Where everything's ours For a few hours

Let me see you Stripped

Let me hear you Make decisions Without your television Let me hear you speaking Just for me

Let me see you Stripped

Let me hear you Make decisions Without your television Let me hear you speaking Just for me

Let me see you Stripped
