Ramones, All The Way

Feedback blasting out my ears Makes me so high I love all the monitor men But why are they alive The van is making me crazy It's just like being in the navy

Doomsday, doomsday's coming - 1981 But until things blow I'm gonna have some fun The bubble's going to explode Probably never live to get old

But I just wanna have some fun Probably won't see no money I just wanna have some fun Before they throw me in the sanitarium

Feedback blasting out my ears Makes me so high I love all the monitor men But why are they alive Well Monte's making me crazy It's just like being in the navy
