

# Ramones, California Sun

Well I'm going out west where I belong  
Where the days are short and the nights are long

Where they walk and I'll walk They fish and I'll fish  
They sin and I'll sin They fly and I'll fly  
Where they're out there having fun in the warm California sun

Well, I'm going out west out on the coast  
Where the California girls are really the most

Where they walk and I'll walk They fish and I'll fish  
They sin and I'll sin They fly and I'll fly  
Where they're out there having fun in the warm California sun

Well, the girls are frisky in old 'Frisco  
A pretty little chick wherever you go

And they walk and I'll walk They fish and I'll fish  
They sin and I'll sin They fly and I'll fly  
Where they're out there having fun in the warm California sun
