

Ramones, Freak Of Nature

I need psychiatric therapy
I could use a lobotomy
Guess I'll never learn
Suppose I'll always be a worm

Freak of nature

Got a ten inch erection, a pimply complexion
(Man I got problems, I'll bet you heard)
I'm completely misunderstood

Fa

I'm a monstrosity
I'm a human oddity
Everybody's staring at me
I'm an outcast from society
Freak of nature
