High risk insurance  
The time is right  
High risk insurance  
The time is right

Got endurance, I was trained  
I got my sights adjusted and my telescope aimed

Everybody wants an explanation  
Got no love for the enemy nation

High risk insurance  
High risk insurance  
High risk insurance  
High risk insurance

You gotta fight to stay independent  
I got my pride and I'm gonna defend it
