Ramones, Howling At The Moon (Sha-La-La)

Sha-la-la-la Sha-la-la-la-la

Ships are docking Planes are landing A never ending supply

No more narco No more gangster Conservatives can cry

I took the law and threw it away Cause there's nothing wrong It's just for play Theres no law, no law anymore I want to steal from the rich and Give to the poor

Sha-la-la-la Sha-la-la-la-la

It was glowing, glowing, glowing Glowing in the dark It was sparkling, sparkling, sparkling Sparking in the night I took the law & threw it away Cause there's nothing wrong It's just for play

Theres no law, no law anymore I want to steal from the rich and Give to the poor

Winter turns to summer Sadness turns to fun Keep the faith, baby You broke the rules and won

Sha-la-la-la Sha-la-la-la-la

Keep it glowing, glowing, glowing I'm not hurting anyone
Keep it glowing, smoking, glowing
I'm howling at the moon
I took the law & Damp; threw it away
Cause there's nothing wrong
It's just for play
Theres no law, no law anymore
I want to steal from the rich and
Give to the poor

Oh baby Oh baby Oh baby Oh baby

I took the law and threw it away Cause there's nothing wrong It's just for play

I'm smoking, baby I'm smoking, oh baby Theres no law, no law anymore I want to steal from the rich and Give to the poor

Sha-la-la-la Sha-la-la-la-la
