

# Ramones, Journey To The Center Of The Mind A

Leave your cares behind come with us and find  
The pleasures of a journey to the center of the mind

Come along if you care  
Come along if you dare  
Take a ride to the land inside of your mind

Beyond the seas of thought beyond the realm of what  
Across the streams of hopes and dreams where things are really not

Come along if you care...

But please realise you'll probably be surprised  
For it's the land unknown to man  
Where fantasy is fact  
So if you can, please understand  
You might not come back

Come along if you care  
Come along if you dare  
Take a ride to the land inside and you'll see

How happy life could be if all of mankind  
Would take the time to journey to the center of the mind

Would take the time to journey to the center of the mind
