

Ramones, Sitting In My Room

Sitting in my room
Record player on
Sitting in my room
Humming a sickening tune
Sitting in my room
Something to do soon

We know what we think of them
The problems just keep piling in
They got complains about everything

It's us against them
It's us against them
It's us against them

They just wanna worry
That's not what any kid
Should have to do
They just wanna be so lame
Maybe they should
Try and sniff some glue
