

Ramoth Gilead, Overflowing

The sound of the latter rain
The downpour of God's blessings
Shall overwhelm us
When He opens the floodgates

Refrain:
And fill our thirsty hearts
To the overflowing
Of His great reward,
And fill our thirsty hearts
To the overflowing
Of our Blessed Hope.

In the midst of our troubles
When we're plunged in deep pain
He'll send healing touch
That shall clothe us with His love
