I might link my ting from Barking  
7 AM in the morning  
She's callin',  
I'm yawnin'  
She's jarrin', no stallin'

I'm icy  
I got a tick rom my head to my feet  
that's Nike  
and that's pricey  
you see them guys over there?  
they ain't like me  
I got a Portuguese ting  
not wifey  
she said my temper's tiny  
I got 2 different worlds like Miley  
you tin me up  
that's in likely  
but I walked in the room with a fresh trim  
showing my Colgate teeth  
they're loking at me  
saying can I get a pic from the gram  
just like AJT  
no wonder they hate on me  
cause I am making P's and they see these cloths  
I get them for free
