

Rancid, Disorder & Disarray

Business man come shake my hand
Show me numbers that I understand
Your my candle Im your burnin wick
Two sides comin' in quick

Say goodbye when you see me sign
Now I'm crucified!

Crucify me [repeat 4x]

The ground is fertile and the grass is green
So many things to be seen
So many bands to be heard
Just for once can I be ignored?

Say goodbye when you see me sign
Now I'm crucified!

Crucify me [repeat 4x]

Yeah

He's back, cool I say
Oh, gotta get away
No no no no reason for me to stay
But Ill come back another day
Get on the bus and
Hand the guy my money
He tried to say It aint enough, man
I said What the fuck you talking bout?!

Say goodbye when you see me sign
Now I'm crucified!

Crucify me [repeat 4x]

Business man come shake my hand
Show me numbers that I understand
Your my candle Im your burnin wick
Two sides comin' in quick

Say goodbye when you see me sign
Now I'm crucified!

Crucify me [repeat 4x]

[Lars:] Oh, what the papers say
We're caught up in the disarray
[Tim:] Well did you look at their faces when we dropped the bomb?
[Lars:] Haha, yeah, Tim, let's play along

Crucify me [repeat 4x]

crbt2('Rancid','Disorder & Disarray')
