## Rancid, Dope Sick Girl

That girl could take my heart everywhere she go

Dope sick girl hit and run she took my money 87 dollars gone now shes running How was i i to know That girl could take my heart everywhere she go Dope sick girl a rig and a rid she got no freedom Little deamon gonna hide inside shes gotta feed them How was i i to know That girl could take my heart everywhere she go Everywhere, everywhere she go Dope sick girl there she was at the methadone clinic She drank a coup called it a base coat She swore not to get back in it How was i i to know That girl could take my heart everywhere she go Dope sick girl gotta rig and a ride to new york city Gonna run away gonna watch it burn in the heart of new york city How was i i to know
