

# Randall, Fallen For You

Feel so uptight, it just don't seem right  
to be here, writing this song  
when all along, i used to think i had it all  
but then you came into my life

Cause i've fallen for you  
fallen for you  
fallen for you now

Chorus:  
Confused i never know what  
it meant when my heart raced  
you left me out in the cold  
you turned me inside out  
but i just didn't dare to say it  
you left me lost in doubt  
i was afraid to let you know  
that i've fallen in love with you

When i found out, i was surprised that you  
would feel the same way about me  
when all along i've always thought we'd just be friends  
but then you said i miss you, its so weird

Cause i've fallen for you  
fallen for you  
fallen for you now

Chorus:  
Confused i never know what  
it meant when my heart raced  
you left me out in the cold  
you turned me inside out  
but i just didn't dare to say it  
you left me lost in doubt  
i was afraid to let you know  
that i've fallen in love with you

Girl, would you give me one chance to be the one  
Girl, would you listen to the words i have to say  
words i have to say

Chorus:  
Confused i never know what  
it meant when my heart raced  
you left me out in the cold  
you turned me inside out  
but i just didn't dare to say it  
you left me lost in doubt  
i was afraid to let you know  
that i've fallen in love with you

So would you give me a chance  
Cause i've fallen in love with you
