

Random Thoughts, Random Memories

Hey clem I'm thinking of the things that we've done thus far
Like that time that we spent at the Moonstruck chocolate bar
The coffee shop where I spilled chantico on my shoes
And countless hours I spent drinking chai tea with you

These Random Memories are sneaking up on me
But its these simple things that keep me on the edge of my seat
Quoting Tenacious D you asked "Are you flowing?"
Well I've been perfect since the day that I heard you sing

I met you're best friend who i found out shares your name
I sorry but I couldn't help but think that that was strange
I liked your brother till I found out he was a marine
And my family loves you which I think is the best thing that I could ever ask for

These Random Memories...

We're contrived of nothing as candid as a photograph
When all I hear are bold faced lies honesty rings from you laugh
