

Randy, Better Than Art

Well my friend is even this a trend?
Then even I hope our career will end.
I don't consider myself all that smart.
I come this far by using only my heart.
I wear my intentions on my sleeve.
I'm not cynical I'm naive.
I try to be as honest as I can.

What you now hear.
Is the same thing you hear.
When you put your ear.
Close to my heart.
And that's why why I like.
Music better than art.

Better than art.

You might think that.
Something's wrong.
Because I use the same chords.
In all my songs.
Then you say I use the same.
Words too.
I heard that before so,
so do you.
Maybe I'm just not all that.
Smart but.
One single hand covering.
one single heart.
Is a nice step on the way.
A small reminder of a.
Better day.
Spit it out now.
Spit it out on me.
Spit it out now,
Now spit it out!
