

# Randy Crawford, Everything Must Change

Everything Must Change  
Everything must change  
Nothing stays the same  
Everyone will change  
No one stays the same  
The young become the old  
Mysteries do unfold  
For that's the way of time  
Nothing and no one goes unchanged  
There are not many things in life  
You can be sure of...  
Except, rain comes from the clouds  
Sun light up the sky  
Hummingbirds do fly  
Winter turns to spring  
The wounded heart will heal  
But never much to soon  
But everything must change  
The young become the old  
Mysteries do unfold  
But that's the way that time  
Nothing & no one goes unchanged  
There are not many things in life  
You can be sure of...  
Except, rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly  
Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly  
Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly  
Rain comes from the clouds  
Sun lights up the sky  
Music makes me cry
