

# Randy Crawford, Rainy Night In Georgia

Rainy Night In Georgia  
Opening up my suitcase  
Trying to find a warm place  
To spend the night  
Heavy rains are falling  
Seems I hear your voice calling  
Alright  
A rainy night in Georgia  
A rainy night in Georgia  
I believe that it's raining all over the world  
I feel that it's raining all over the world  
Neon signs are flashing  
Taxis, cabs and buses passing  
Through the night  
A distant moment of the train  
Seems to play a sad refrain  
To the night  
A rainy night in Georgia  
Such a rainy night in Georgia  
I believe that it's raining all over the world  
I feel like it's been raining all over the world  
How many times I've wondered  
It still comes out the same  
No matter how you look at it often  
It's life and we've just got to play the game  
I shake the rain from my sweater  
Take out your letters to pass some time  
Last night when it's time to rest  
I hold your pictures to my breast  
and I feel fine, fine  
It's a rainy night in Georgia  
Such a rainy night in Georgia  
I feel that it's raining all over the world  
Lord I feel like it's raining all over the world  
Rainy night  
Such a rainy night  
(repeat to fade)  
It still comes out the same
