

# Randy Meisner, Our Class

our class  
in the middle of 'B' block  
our class  
in the middle of college  
our class  
near town in watford  
our class  
north of london  
our class  
in the south east of england  
our class  
in the north west of europe  
our class  
on a planet known as earth  
our class  
which is in the universe  
our class  
now u know where it is  
our class  
our class

when u get to  
our class  
be sure to check all us out

theres.....  
lauren n lana  
there quite shy

helens the oldest  
n phill hes the youngest.

sophies known as dartford  
and lee knows where it is.

siobhan always burps yet shes fit  
and staceys the one with massive tits

then theres jodie shes real smart  
and theres kerri whose a bit of a tart

lois changes the colour of her hair  
whilst alicia dances everywhere

jemmas a bit of a grunge she likes rock  
shes datin paul whose got a big c\*\*k

kellys had a baby boy  
n ians datin someone ciled roy

emma who is never in  
and deepa who hates the singhs

then theres just myself n brett  
who are the genius behind this song  
we are very sorry that its so long
