

# Randy Newman, Last Night I Had A Dream

Last night I had a dream  
You were in it, I was in it with you  
Everyone that I knew  
And everyone that you know was in my dream  
I saw a vampire  
I saw a ghost  
Everybody scared me but you scared me the most  
In the dream I had last night  
In the dream I had last night  
In my dream  
It started out in a barnyard at sundown  
And everyone was laughing and you were lying on the ground  
You said, "Honey, can you tell me what your name is?"  
&"Honey, can you tell me what your name is?"  
I said, "You know what my name is."  
Last night I had a dream  
You were in it, I was in it with you  
Everyone that I knew  
And everyone that you know was in my dream  
I saw a vampire  
I saw a ghost  
Everybody scared me but you scared me the most  
In the dream I had last night  
In the dream I had last night  
In my dream
