

# Randy Newman, Rosemary

Rosemary, won't you come out tonight?  
The moon is shining and the stars are bright  
If you stay inside, how can I love you, dear  
When you're up there and I'm down here?  
Come on down, we'll take a walk in the park  
I know a place there where it's good and dark  
I'll hold yours, baby, and you'll hold mine  
I'm thinking about you all the time  
Hear that wind blow  
'Gainst your window  
And I call your name  
I need you so, baby  
I'm ready to go, baby  
Ain't that a shame?  
Take your shoes off  
Come with me  
Take your shoes off  
Come on down, we'll take a walk in the park  
I know a place where it's good and dark  
I'll hold yours, baby, and you'll hold mine  
I'm thinking about you all the time
