

Randy Rogers Band, If Anyone Asks

If anyone asks Im brokedown
Or maybe Im just outta town
You can say Im anywhere but where I am
If anyone asks dont lead em on
That anything is even wrong Do that if you can
cause no one needs to know
we finally hit the end
You left the door wide open
and I locked myself in

Chorus

Until I find a way to get my story straight
Girl I never dreamed that I would see the day
That you were by my side and I would have to hide
cause theres nothing I could say
If anyone asks

If anyone asks I hold you tight
Each and every night
For all they know you wont let go And Im still there
If anyone asks dont say a thing
Just let that phone ring
If you answer now It wont be fair

cause no one needs to know
I gave you my best
You can tell them the truth
And make up the rest

Chorus

Well Ive been starin at myself
Tryin to catch my breath
The part that I cant figure out
Is all that I have left

Chorus
