

# Randy Rogers Band, Kiss Me In The Dark

Sailors sail  
cowboys ride  
lovers love when they get the chance  
take it slow  
turn down the light  
soft and low  
let the shadows dance  
baby don't hold back

Chorus:  
kiss me in the dark  
roll me through the night  
hold me like you&#039;ll never let me go  
hit me with your heart  
tell me more to lie  
let your skin talk to my soul  
kiss me in the dark

Let's strip away everything  
tonight there's nothing getting in our way  
the ties are bides where's and why's  
take 'em off and leave them all outside  
lock it all outside

Chorus:  
kiss me in the dark  
roll me through the night  
hold me like you&#039;ll never let me go  
hit me with your heart  
tell me more to lie  
let your skin talk to my soul  
kiss me in the dark

without a single a word  
baby we can say so much  
re-real everything with just one touch  
kiss me in the dark  
roll me through the night  
hold me like you&#039;ll never let me go  
hit me with your heart  
tell me more to lie  
let your skin talk to my soul  
kiss me in the dark  
kiss me in the dark  
yeahhhh
