

# Randy, The Human Atom Bomb

I played some Little Richard songs on my stereo  
Tutti Frutti and Ooh! My Soul  
He sang so wild and he sang so frantic, he's the father of rock'n'roll

Human atombomb - atombomb  
The human atombomb  
Human atombomb - atombomb  
The human atombomb, yeah!

Played some Little Richard songs on my stereo  
Bama lama baby bama loo,  
I need love, I need love, sweet little baby do you need love too?

Human atombomb - atombomb  
The human atombomb  
Human atombomb - atombomb  
The human atombomb, 2 3 4

Bomb, atombomb  
He was born in Macon Georgia back in 1932 - bomb, atombomb
