

# Randy Travis, Too Gone, Too Long

You've been too gone, for too long,  
it's too late to come back now  
It's been so long since you walked out my door  
now you're just an old song nobody sings anymore  
I gotta a new love and she's the true love  
but darlin' how could you have known?  
you've been too gone, for too long  
now it's too late to come back home  
You've came a long way, goin' the wrong way  
don't even set your suitcase down  
You wanted to roam, now you're paying the bills  
you're an old rollin' stone who rode over the hills  
I had a good cry when you said "Goodbye";  
I didn't wanna let you go  
but you've been too gone for too long  
now it's too late to come back home  
I had a good cry when you said "Goodbye";  
I didn't wanna let you go  
but you've been too gone for too long  
so why don't you just stay gone?  
now you've been too gone for too long  
now it's too late to come back home
