

Rapeman, Kim Gordon's Panties

I went up to Milwaukee to see an old friend of mine
And Thurston came over, he was out of his mind

He said, 'I'd like to just sit with her
** fucked up in my head
If i had that to go home to,
I'd never leave again

Hey I'm a red blooded man
Like (her so much he blistered)?
I'd hang that woman's panties
From his car aerial
Hate to see a friend go queer
Knowing what's going to waste

I went up to Milwaukee to see an old friend of mine
And Thurston came over, he was out of his mind
Any red blooded man
Like (her so much he blistered)?
I'd hang that woman's panties
From his car aerial
