

Rapeman, Radar Love Lizard

i'm a little lizard trapped in a man's skin

i'm always cold as shit
i'm always freezing

** **

my heat

gotta get a little place
gonna keep it real warm
(eat only raw meat)?
never hear the beastie boys again

this guy one time, he
he really hated me
chased after me in the parking lot
(dragged)? off my arm
saw it (right in)? his hand
scared the shit out of me
no big deal, i grew another one

i'm always cold as shit
i'm shiny all over
i'm covered in weird skin
i make great cowboy boots

** my ass
my heat
