

Rappin Aly C, Rapz On Wheelz

Raps on wheels

I fell over in the road
Not gonna press arcade mode
Car coming to me
S**t in my spaghetti
I ain't a mudda f***er
Nor a mudda trucker
I ain't been more stucker
Than a f***kin mudda f***er

I said it before in the music store
Theres s**t in my spaghetti
I've been too more than ready
Ya'll a gonna feel steady
Like a forward slash Machetti
Slash it through a teddy
Keep your balance on the ready
Y'all a gonna feel greddy
We're all gliders
Like an ice skating sliders
We are rap bidders
And other PIMP Riders

We all us rappers
We gonna lay trappers
One, two 2 sees
Get out your Uzis
Lay down your AKs
Gonna go bay bays
We gonna drug dealz
Wid our raps on wheelz!
