Rock a ski mask,

## Verse 2

If shit's too hard,  
You're too soft,  
Trust f\*\*kers I ain't fallin off,  
I've been in it a minute,  
at Rap wars I'm winnin,  
at Rap bars I'm killin them,  
Act hard on the internet,  
That's all,  
I'm grinnin and finish them last thoughts,  
I won't lose,  
And I'll never back off,  
No,  
We pitbullin' in ya club,  
Always stay busy like bullets in the hood,  
Peace then it's peace,

Beef than it's beef,  
Halfhearted rappers,  
Stop beefin with me,  
Actin like they wanna meet in the streets,  
I ain't buyin it,  
like Bushido CD's  
I know you love my style,  
F\*\*k you I hate your style
