

# Rare Earth, I Just Want To Celebrate

(I know) I'm Losing you  
The Temptations  
Your love is fadin' I feel it fade  
Ah, your love is fadin' I feel it fade  
Ah, your love is fadin' Woman I feel it fade  
Ah, woman, woman your touch, your touch has gone cold  
As if someone else controls your very soul  
I've fooled myself long as I can  
Can feel the presence of another man  
It's there when you speak my name  
It's just not the same  
Ooh babe, I'm losing you  
It's in the air  
It's there everywhere  
Baby, baby, babe, I'm Losing you  
When I look into your eyes  
A reflection of a face, I see  
I'm hurt, down-hearted and worried, girl  
'Cause that face doesn't belong to me  
It's all over your face  
Someone's takin my place  
Ooo baby, I'm losing you  
You try hard to hide  
The emptiness you feel inside  
Oo babe, I'm losing you  
I can't bear the thought of losing you  
Ah woman, can't you see what I'm goin' through  
I'm losin' my mind (losin' my mind)  
And it's all because of you  
I can't bear the thought of losing you  
I'm losin' my mind (losin' my mind)  
And It's all because of you  
I can't stand the thought of losing you.
