## Rascal Flatts, Sara

Sara Beth is scared to death
To hear what the doctor will say
She hasn't been well
Since the day that she fell
and the bruise that just won't go away

so she sits and she waits with her mother and dad and flips through an old magazine Till the nurse with a smile stands at the door and says Will You Please Come with Me?

Sara Beth is scared to death cause the doctor just told her the news between the red cells and white something's not right but we're gonna take care of you

six chances in ten it won't come back again with the therapy we're gonna try its just been approved it's the strongest there is and i think we caught it in time and sara beth closes her eyes

and she dreams she dancing around and around without any cares and her very first love is holding her close and the soft wind is blowing her hair

Sara beth is scared to death as she sits holding her mom cause it would be a mistake for someone to take a girl with no hair to the prom

for this morning right there on her pillow was the cruelest of any surprise and she cried when she gathered it all in her hands the proof that she couldn't deny sara beth closes her eyes

and she dreams she dancing around and around without any cares and her very first love is holding her close and the soft wind was blowing her hair

it's quarter till seven that boy's at the door and her daddy ushers him in when he takes off his cap they all start to cry cause this morning where his hair had been softly she touches just skin

and they go dancing around and around without any cares and her very first true love is holding her close for a moment she isn't scared
