

Rascal Flatts, The Day Before You

I had all but given up on finding
The one that I could fall into
On the day before you
I was ready settled for
Less than love and not much more
There was no such thing as a dream come true
Oh, but that was all the day before you

Now you're here and everything changes
Suddenly life means so much
I can't wait to wake up tomorrow
And find out this promise is true
I would never have to go back to
The day before you

In your eyes I see forever
Makes me wish that my life never knew
The day before you

The Heaven knows those years without you
Shaping my heart for the that day I found you
You're the reason for all that I've been through
Then I'm thankful for the day before you

Now you're here and everything changes
Suddenly life means so much
I can't wait to wake up tomorrow
And find out this promise is true
I would never have to go back to
The day before you
