

Rascal Flatts, Twist Of The Magi

(feat. SheDaisy)

Shedaisy:

I sold your Rolex

To buy that gold Versace dress

Rascal Flatts: I set free your whiny French poodle

So you could get your beauty rest

And I did it all for you

I did it all (I did it all) for you

This Christmas (This Christmas)

All your dreams (All your dreams)

Will come true

Rascal Flatts:

I put your mother on a greyhound (you did what?)

You always hoped she'd have the chance to see the world-now she can

Shedaisy: I torched your Sports Illustrated swimsuit issues (No, no, no,no)

So I could be your only girl-and now I am

And I did it all for you

I did it all (I did it all) for you

This Christmas (This Christmas)

All your dreams (All your dreams)

Will come true

Shedaisy:

How can I forget

All you've done for me

I'll get you yet

Rascal Flatts: This is the season to give

But I can never forgive the damage that you've done

(Damage that you've done)

This must be love

Shedaisy:

I sank your bass boat (Not my bass boat, no, no, no)

So you'd have more time to spend with me

Rascal Flatts: I hocked your grandma's diamond earrings (AHHHHH!)

For the down payment on my SUV

Shedaisy: Fully loaded, heated seats, in hunter green-is this for me?

And I did it all for you

I did it all (I did it all) for you

This Christmas (This Christmas)

All your dreams (All your dreams)

Will come true

Ooooh....
