

Rascal Flatts, Yes I Do

Do I cry, in the night?
Do I long to hold you tight?
And do I wake, wanting you?
Yes I do
Do I recall, everyday,
How you took my breath away?
Do I remember loving you?
Yes I do

[Chorus]
Yes I do dream of all we had together
Yes it's true we lost it all forever
Do I pray anyway?
Yes I do

Well I don't live in the past
Wanting love that wouldn't last
Well I don't ache, like I used to
Yes I do

[Chorus]
Yes I do dream of all we had together
Yes it's true we've lost it all forever
Do I pray anyway?
Yes I do

[Repeat Chorus]
