

Rasmus, Broken Heart

Here I stand, all alone
Trying to fight the pain from a broken heart
Why she left me? I don't know
It really doesn't matter anymore
I thought our love could last forever
But here I stand lost and all alone

There is life even after a broken heart
You can fight the pain from a broken heart, broken heart

Start a new day, but not alone
I'm gonna break away from this broken heart
I'll meet a woman. I'm gonna take her home
Where I'll pick all the pieces and start all over again

I know that life will be much better
I know the sun will shine again

Yeah baby I know

There is life even after a broken heart, broken heart
You can fight the pain from a broken heart, broken heart

Woouoa

I know that life will be much better
I know the sun will shine again

Yeah baby I know
Baby I know
There is life even after a broken heart

There is life even after a broken heart, broken heart
You can fight the pain from a broken heart broken heart

There is life even after a broken heart, broken heart
You can fight the pain from a broken heart, broken heart

Woouoa
yeah
Ooo my baby
