

# Rasputina, Desert Vampire

Spoken:

A serial killer, a child-murderer, a worker at a bread kiln.

"Desert Vampire executed."

From the early morning, police wagons drove through the streets announcing the location and the time.

Soon the square was full of people. Bunches of young boys dangled from trees and lampposts. Sp

He was flogged 100 times before being hanged. A brother of one of his young victims stabbed him

He tricked children to go with him into the desert by saying that they were going to hunt animals. TH

"Again! Kill him again!" His body swayed above the main square. Despite their frustration
