

# Ratt, Hard Times

(Percy/Child/D.Warren)

You say you don't want me

You say you don't care

You say that your heart ain't got no room for me there

You say you don't need me

But I know that it's just a lie

'Cause you call me in the night

Tellin' me your life is better off without me

How come you're sleepin' all alone

Tellin' me you don't ever think about me...

\*Hey...you're givin' yourself away

It's there in every move you make

You can't hide your heartache away

Hey....it's something you don't have to say

It's written in the tears on your face

I see through the part that you play

You're givin' yourself away

You're givin' yourself away

It doesn't matter what you say

You're givin' yourself away

You're givin' yourself away....

So you got all your freedom

And you got all your time

So you got the illusion that you're doin' fine

So you smile in the mirror

Through the sadness your smile can't disguise

Why don't you come right out and say

Baby you can't take another day without me

You know I'm runnin' through your blood

You need me like a drug

And you can't live without me....

\*CHORUS

And when you call me in the night

Tellin' me your life is better off without me

I know that you're lyin' there alone

Baby cause I know, you can't live without me

\*CHORUS
