

Raul Seixas, Blue Moon Of Kentucky

Blue moon, blue moon, blue moon
Keeps shinning bright
Blue moon keeps on shinning bright
She's gonna bring me back
My baby tonight

Blue moon, keeps shinning bright
I say blue moon of Kentucky
Does on keep on shinning
Shines on above this girl
I let so blue

I say blue moon of Kentucky
Does it keep on shinning
Shine on above this girl
A let alone
I wuz home with her last night
Dying sunbright
We'll have love
Make it fine!

Blue moon of Kentucky
Does it keep on shinning
Shine on above this girl
I let so blue

Quando olhei a terra ardendo
Qual fogueira de So Joo
Eu perguntei, a Deus do cu, ai!
Por que tamanha judiao?

Blue moon, blue moon, blue moon
Keeps shinning bright
Blue moon keeps on shinning bright
She's gonna bring me back
My baby tonight
Blue moon, keeps shinning bright
